

WAG CHRISTMAS BASH 2018

Long-regarded as the major Yuletide event in the railway's calendar, this year's Bash moves to a new venue. A charming country inn, the Green Dragon, at Buttington, itself only yards from the standard gauge line between Welshpool and Shrewsbury, has been chosen as the 2018 venue. The Dragon, a rising star among Montgomeryshire eating places, is offering a varied and delicious menu of traditional and nouvelle cuisine this Christmas which means that whatever your palette, you are likely to find something to delight you among the dishes on offer. In addition, this gastronomic extravaganza comes in the company some of the most charming and witty fellow-diners you are likely to encounter this Christmastide.

Please note that the Bash will be held in a private dining room reserved uniquely for WAG and its guests. This means that places are limited and they will be allocated on a first-come, first-served basis. To ensure that you don't miss out, please fill in the booking form below and overleaf, indicating whether you wish to take the two or three-course option and which dish you have chosen for each course. It is suggested that you make a note of your choices before returning your form. Then send it to the address below with a £10 non-refundable deposit for every person on whose behalf you are making a booking. The balance is payable at the beginning of the evening. Please do not send cash.
